R&M Fixings and Supports Ltd
Unit 6, Central Trading Estate
Marine Parade
Southampton
Hampshire
SO14 5JP

Dear Steve:

As we near completion of the services install at the NDC Wakefield project it is a good time to reflect and in doing so I want to express my thanks and commend you and your team for the outstanding level of service R&M Fixings & Supports have given to CHT successfully supplying all the Fixings, Bracketry and Containment on this prestigious data centre.

Your pro active approach to overcoming challenges that this project has thrown at you hasn't gone unnoticed the way your team has integrated with ours at all levels has been an example of a true supplier partnership. Your assistance with an R&M onsite stores as well as the technical support and bespoke products supplied for the modules are just two of many instances I could mention. This is yet another successful data solution project we have delivered in collaboration and we look forward to the next one.

Please take the time to extend my gratitude to the team at R&M for all their hard work and assistance

Yours faithfully
